Media Team – Voice Over Talent

Position Summary:

The Voice Over Talent uses their voice to narrate and perform scripts for church media projects including videos, announcements, and special presentations. By delivering expressive and professional recordings, this role helps to communicate the church's messages and storytelling in a way that connects with the congregation and reaches the wider community with excellence.

Ministry Vision:

Communications Ministry exist to capture the life of our church and all that God is doing in and through it. Through photography, videography and other related multimedia skills, we want to glorify Christ and share Jesus with others. We are a community that embodies discipleship all while growing in our skills and relationship with God and each other.

Duties & Responsibilities:

- Record clear and engaging voice overs for church media projects, including announcements, videos, and special presentations.
- Collaborate with the Media Team to deliver recordings that match the tone, style, and timing of each project.
- Maintain a professional and expressive vocal delivery that enhances storytelling and communication.
- Follow scripts, production notes, and meet project deadlines to ensure timely completion.

Time Commitment:

This is a flexible, project-based volunteer role, typically requiring a few hours each week depending on project demands and deadlines. Volunteers should be able to manage their schedule to meet agreed-upon deadlines.

Qualifications & Requirements:

- Previous experience in voice acting, narration, or related voice work.
- Ability to deliver clear, expressive, and professional-quality vocal recordings.
- Demo reel or sample recordings required for consideration.
- Comfortable following scripts, taking direction, and adjusting tone as needed.

- Reliable, collaborative, meets deadlines, and able to take feedback
