

CSC Volunteer Profile

Gardens & Grounds Steward

Position Summary:

Landscaping stewards assist with planting flowers and shrubs, weeding, trimming and general upkeep of CSC lawns, gardens and outdoor spaces. Landscaping stewards participate in efforts to create a well-maintained and aesthetically pleasing environment to enhance the experience of worship and make a positive impression on visitors.

Ministry Vision:

Through our landscaping ministry, we strive to create a beautiful and welcoming environment that reflects the beauty and grace of God, fostering a sense of community and reflecting a commitment to stewardship of God's creation.

Duties & Responsibilities:

- Planting flowers in the spring
- Watering and caring for our flowers and lawns
- Weeding and deadheading our flower beds
- Lawn mowing and watering
- General cleanup of our properties

Time Commitment:

- 2-3 hours per week
- Daytime, evenings or weekends as your schedule permits
- May to September

Qualifications & Requirements:

- Ability to bend, lift and kneel
- Stamina to work outdoors for moderate periods of time
- Experience or knowledge of gardening practices
- Familiarity with hand tools and gardening equipment

- Willingness to learning new skills and techniques, and following instructions from supervisors or experienced volunteers
- Able to work both independently and as part of a team

Getting Involved From, Including Two References

Volunteer Benefits:

- Opportunity to learn about plant identification, landscaping techniques, and sustainable practices
- A source of stress relief, promote physical activity, and boost mental well-being
- Contribute to a healthier environment and the beautification of Centre Street Church grounds
- Meet new people, build relationships and expand connections within the wider church community
