As a photographer, you will help tell the story of all that God is doing at CSC by capturing meaningful moments during services, events and ministry programs. Through the medium of photos, you are able to creatively and powerfully share the ministry life of our church with others.

Ministry Vision:

Communications Ministry exists to capture the life of our church and all that God is doing in and through it. Through photography, videography and other related multimedia skills, we want to glorify Christ and share Jesus with others. We are a community that embodies discipleship all while growing in our skills and relationship with God and each other.

Duties & Responsibilities:

- Capture photos during weekend services, weekday ministry programs or special events.
- Upload and organize photo files in shared online applications/folders.
- Operate basic camera gear with care
- Work with the Media Team to capture meaningful content
- Follow CSC media team etiquette to ensure a non-distracting, informative and purposeful environment for congregants.
- Follow CSC's photo guidelines, branding and styles.

Time Commitment:

- As needed – based on availability and event schedule
- Media Team Event Schedule will be shared – sign up as available

Qualifications & Requirements:

- Interest in photography and storytelling
- Willingness to learn how to use cameras and gear – training provided
- Responsible with gear and time commitment
- Able to follow direction and work well with a creative team
- Teachable attitude and open to feedback
- Excited to serve and help share what God is doing
