Weddings at Centre Street Church

Congratulations!

Centre Street Church would like to congratulate you on your recent engagement and thank you for considering us for your wedding ceremony. Centre Street Church desires that every couple be fully aware of the sacredness of God's design for marriage. No matter what type of wedding you are planning, large or small, simple or elaborate, the main purpose of this event is the uniting of two lives to become one before God. Since your vows are made before God, you should treat this as a form of a worship service, as you celebrate His love for you and your love for one another.

This handbook will assist you in the planning of your wedding ceremony.

Our Mission:

Our mission is to equip and empower couples with tools to establish and build a Christ-centered, life-giving marriage based on God's design for marriage, thereby leaving a godly legacy to future generations.

Definition of Marriage:

God instituted marriage as a sacred and honorable institution (Hebrews 13:4) for the blessing of companionship (Gen 2:18) and as a continuation of the divine work of creation in the history of the human race (Gen 4:1). God intended marriage to be a monogamous, life-long union (Gen 2:24, Ex 20:14) between a male and a female who are each living in the physical gender in which they were born. (Gen 1:27; Gen 2:18, 20-25; Ps 139:13-16; Mark 10:7-9). Marriage is constituted first in mutual covenant and is a solemn, binding agreement entered into before God and others (Mal 2:14). God views the breaking of this covenant very seriously (II Sam 12; Mal 2:16).

"May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit."

Romans 15:13 NIV

Pre-Marriage Ministry and Wedding Guideline

Pre-Marriage Process at CSC

Centre Street Church desires that every couple married at any CSC campus or married by one of our pastors at another location be fully aware of the sacredness of God's design for marriage. A healthy, growing Christian marriage can be a reality. The marriage preparation process helps you to understand what marriage is and what it is not. You will be challenged and encouraged to look at your expectations of your chosen spouse and to evaluate whether God would have you marry your partner at this time. You will also be challenged to take an honest look at some of the possible roadblocks that could cause heartache in the future if you neglect to deal with present situations.

Building intimacy, trust, and communication are all foundational aspects of building a life-giving marriage that will last. That is why Centre Street Church requires a minimum of six months to complete the pre-marriage process. By doing so, you will have sufficient time to work with the Wedding Coordinator in planning for your wedding day (ensuring availability of requested date, officiating pastor, etc.), as well as allowing sufficient time for you to attend the Pre-marriage Workshops and meet with your mentoring couple to work through the pre-marriage inventory (Prepare Enrich).

To accomplish this and meet the requirements of the Centre Street Church marriage guidelines, please read the CSC Wedding Guideline carefully.

Basic Principles

We are committed to helping couples embrace the joy of a loving, lasting relationship so that their marriage will be all that God purposes it to be. Therefore, we place strong emphasis on the sacred covenant that a couple makes before God. The Word of God gives us many principles for building strong marriages. Ignoring these principles will weaken the foundation and possibly cause a marriage to end in separation and/or divorce. We are committed to doing our part in building strong marriages; therefore, the following guidelines have been established. Our purpose is not to condemn or judge anyone, but rather to embrace and advance God's principles and His sacred design for marriage.

Preparing for Marriage

Couples being married at Centre Street Church or by a pastor from Centre Street Church must complete our pre-marriage process which is as follows:

- Contact the Wedding Coordinator at least **six to eight months** in advance of the wedding.
- Complete the Pre-Marriage Couple's Questionnaire & initial forms and a Prepare Enrich inventory.
- Attend the Pre-Marriage Workshop #1 (full day Saturday).
- Attend the Pre-Marriage Workshop #2 (full day Saturday).
- Complete the pre-marriage mentoring program wherein a mentoring couple meets with you 5-6 times and takes you through your Prepare/Enrich inventory. It is the responsibility of the couple to ensure that they cooperate with the mentoring couple (who are unpaid volunteers) in keeping appointments so that the process is completed at least **one month** prior to the marriage.
- Meet with the pastor officiating for your wedding at least **one month** prior to the wedding.
-

Conditions

1. One of our core values as a church is that we value people because people matter to God and need to know him. Part of knowing God is understanding the good, pleasing and perfect will of God for our lives. Concerning marriage, it is vital for you to understand what Scripture teaches regarding marriage and having a personal relationship with Christ. 2 Corinthians 6:14-18 speaks of the importance of spiritual compatibility, and this especially applies to the marriage relationship. If one person desiring to be married is a follower of Jesus Christ and the other is not, then spiritual incompatibility results.

A couple seeking to establish a life-long covenant of marriage need to both be going in the same direction spiritually. If this is an issue in your relationship, you will have the opportunity to speak with a CSC pastor. He/She will discuss with you what it means to have Christ at the center of your life and marriage and discern where your relationship is at in terms of spiritual compatibility. Our desire is to be life-giving in our dialogue and that all concerned will come to a deep understanding of the importance of having Christ at the center of their marriage and their lives.

2. Centre Street Church pastors embrace the biblical definition of marriage based on the Word of God which we believe clearly states that the union of marriage is between a male and a female, and therefore CSC pastors are not permitted to officiate at a wedding that contradicts this definition.
3. Divorced persons may be considered for marriage at Centre Street Church should they meet one of these biblical criteria:
 - Former spouse is deceased (Romans 7:2, 1 Corinthians 7:39)
 - Divorce occurred prior to conversion (II Corinthians 5:17)
 - Divorce occurred because of unfaithfulness by spouse (Matthew 19:3-9)
 - Desertion by spouse (I Corinthians 7:15)
 - The former spouse initiated the divorce and has remarried (Romans 7:3)

If a divorced person answers negatively in all cases, acknowledging that other extenuating circumstances caused the divorce, a meeting with a pastor(s) may be arranged (if desired by the couple or if recommended by the officiating pastor to consider their individual case).

Please note the following:

- We believe a new relationship should not be pursued until the potential of a healthy reconciliation has been exhausted and time for personal recovery has passed.
- The pre-marriage mentoring program, therefore, may not begin until at least **one year** has elapsed from the time the divorce was made legally final (Some exceptions may apply). This will be assessed on an individual basis.
- Divorced persons may be required to attend a divorce recovery program such as "Divorce Care". *(This program is designed to help a divorced person process his/her own loss and pain. It allows them time to explore the possibility and/or wisdom of reconciliation, remarriage, or singleness).*
- Each case of divorce or remarriage may be dealt with on an individual basis from the perspective of God's inexhaustible grace to forgive human sin and to restore broken lives, giving people a hope and a future.

Note: Individuals who have been previously married, including legally recognized common-law relationships, will be required to complete the attached form "Marriage Preparation Inventory" (Appendix A – Groom p. 26, Appendix A – Bride p. 27).

4. No pastor on the Centre Street Church staff will marry a couple if another CSC pastor has refused to.

Love Can Wait Covenant

All couples, including those who have been physically intimate or who are living together, are invited to prayerfully and seriously consider entering a covenant with each other, God and Centre Street Church to abstain from all sexual activity until their wedding day. By making such a commitment you are honoring Jesus Christ and the sanctity of marriage throughout your engagement.

Love Can Wait Covenant

We are committed to God's ways in preparing for our marriage. We agree to abstain from sexual intercourse until we share our marriage vows together. We believe it is God's will for our lives and marriage to be sanctified, to be set apart for pure and holy living.

"It is God's will that you be sanctified, that you should avoid sexual immorality; that each of you should learn to control his own body in a way that is holy and honorable...For God did not call us to be impure, but to live a holy life. Therefore, he who rejects this instruction does not reject man but God, who gives you His Holy Spirit."

1 Thessalonians 4:3-8

We also understand that God does not look at our past failures. Instead, He looks at us as broken people whom He can make anew. With His forgiveness, we can start all over again. As we ask God to forgive us through Jesus, He will see us as a completely new couple.

"If we confess our sins, He is faithful and just and will forgive us our sins and purify us from all unrighteousness."

1 John 1:9

We seek to trust God and honor Him by upholding His parameters of sexual intercourse with the context of our future marriage. We believe that with the help of God, we will be able to keep this covenant and be greatly blessed by our obedience to Him.

An estimate to determine repair and additional cleaning costs will be obtained, and you will be contacted with this information.

Rehearsal Details

Your rehearsal is a very important event. Proper planning and thought beforehand will ensure your rehearsal runs smoothly. You should leave feeling confident and excited about your wedding day.

The CSC Wedding Coordinator will encourage you to find your own wedding coordinator to work with the officiating CSC Pastor to facilitate your rehearsal giving leadership and direction to the rehearsal activities. This will prevent many potential challenges, since the couple and their Wedding Coordinator already have a clear understand of what the couple desires for their wedding. This will save both time and stress at the rehearsal.

Booking Rehearsal Times

Once you have attended an orientation and your pastor has been confirmed, you will be contacted with your rehearsal date and time. All rehearsals are booked between 5:00PM – 8:00PM and will run one (1) hour maximum in length. All rehearsals must start on time. Therefore, we recommend that you inform your wedding party and other people involved in your rehearsal to arrive ½ hour earlier than scheduled. This will ensure that we begin on time.

Please have your entire wedding party present at the one-hour scheduled rehearsal. All ushers should attend as well to take directions from the Wedding Coordinator. We recommend one usher for every 50 guests (although a minimum of two ushers is standard). A great way to include close friends, relatives, etc., is to choose them as ushers.

If there are any children involved in your wedding party, please pre-assign someone who is not already involved in the wedding party to care for them during the rehearsal and during the ceremony. This will help to limit potential distractions.

Sound checks for soloists and other special music do not need to take place during the rehearsal. Please inform any musicians performing at your ceremony that full sound checks will be done with the technical operator on the day of your wedding one hour prior to the beginning of the ceremony.

PLEASE NOTE: In accordance with Alberta Vital Statistics, any member of your wedding party who is under the influence of alcohol at the rehearsal or wedding ceremony will not be permitted to participate in the wedding.

Please bring your marriage license to your rehearsal!

Please Note: You CANNOT legally sign your marriage license prior to your wedding ceremony. This is in accordance with the Marriage Act and Vital Statistics.

You can obtain your license from any Alberta Registries office. For further information and a list of requirements, please refer to the following website:

<http://www.servicealberta.ca/marriage-license.cfm>

Centre Street Church Licensed Pastors

Ceremony Details

Planning Your Wedding Ceremony

Your assigned CSC Wedding Coordinator will contact you approximately four weeks prior to your wedding ceremony to plan the details. We have created a form (see back section 'Wedding Ceremony Planning Sheets') that will be used as a general guideline. Give some thought beforehand to musical selections, scripture readings, and any personalized vows that you may want to make to each other. When the details are completed, your coordinator will create a word document, which she will send to you, the officiating CSC pastor, the technical operator and custodial staff.

Decorating for Your Ceremony

Please check with the CSC Wedding Coordinator to confirm when you may do your decorating. Once your ceremony is finished, all decorations must be removed immediately by your decorator. It may be possible to decorate on a Friday evening. Please check with the wedding coordinator to confirm.

Pew Bows

Absolutely no glue, coat hangers, nails, screws or wires are to be used to attach pew bows or floral arrangements to the chairs. An acceptable option would be to tie a piece of material to drape over the side of the chair or long stick pins (as long as they are removed). No tacks, tape, glue or nails are to be used on the walls.

Candles

Dripless candles only. Due to fire regulations, all candles must remain on the stage, out of harm's way and must be enclosed in hurricane shades which CSC can provide. Flames must be 1" below the top of the hurricane lamp.

Aisle candles and candelabra are not permitted.

Sound Technicians

The sound technician will be at your rehearsal and ceremony. He/She will also be given full instructions for your wedding ceremony prior to your rehearsal to ensure that everything runs smoothly. All our sound technicians are trained and have experience at doing weddings.

Please clearly label and mark all the devices that you bring to the rehearsal. They will be given to the sound technician for safekeeping. You will need to pre-assign someone to pick up your items from the sound technician after the ceremony is over.

Pictures and Video

The photos/video taken on this special day will be something you have to look back on and to show family and friends. To help ensure the best quality photos/video, please request that your photographers and/or videographers come to your rehearsal. This will give them an opportunity to check the layout and lighting of the chapel for the ceremony, and they may want to discuss lighting and sound issues with the CSC sound technician.

Musical Selections

The music you select for your ceremony will make it very special. Thought put into this area will benefit your ceremony for you and your guests. Remember, your ceremony is a form of a worship service, uniting a man and a woman to become one in the sight of God. Therefore, we encourage you to choose songs that honor Christ and the sacredness of marriage. Secular songs chosen (with words) must be approved by the officiating CSC pastor prior to the wedding rehearsal. Please supply a copy of the words to the CSC Wedding Coordinator, and it will be passed along to the CSC pastor for approval.

If you are bringing in a worship band, the musicians will be responsible for supplying their own instruments and communicating any technical requirements to the technical operators.

Throwing of Objects

No objects such as, but not limited to, rice, confetti, and birdseed are not allowed inside the church building or on the church grounds. We also ask that no real flower petals be scattered on the floor unless you provide an aisle runner. The church aisle runner may be used, but with artificial petals only. Please assign someone to pick up or sweep up the petals. If CSC custodial staff has to clean up, costs will be billed to the couple.

Pets

Pets are not permitted to be a part of your wedding ceremony. The only exception to this would be a trained and designated service dog.

Provided Items

CSC has the following items available for your use and will be happy to provide them upon request.

- Linen (round/white) for the registry table
- Hurricane Lamps (3) – 2 are 3" diameter x 10" high and 1 is 4.7" diameter x 10" high.
- Aisle runner for the BPC auditorium – Please use indoor shoes only. Any damage or cleaning costs will be billed to the couple.

We are not a wedding venue and do not supply wedding items other than the above.

Bridal Waiting Room

Please discuss this with the Wedding Coordinator as the room changes with needs and venue. Please be sure that all items are removed from the waiting room after the ceremony before leaving for the reception venue.

Consent Form – Prepare / Enrich

As part of our Centre Street Church program for couples preparing to be married, couples are provided with a pre-marriage mentoring couple, when available. The mentoring couple serves and acts as an extension of the pastor officiating at your wedding and desires to help you establish key foundational principles upon which to grow your marriage relationship

Upon completion of the Prepare/Enrich inventory, the mentoring couple on behalf of the officiating pastor, will spend 5-6 sessions with you personally discussing the inventory. This provides an opportunity to examine issues and dialogue about several areas that influence the growth and health of a marriage.

Once the mentoring couple has completed going through the Prepare/Enrich inventory with you, they will provide a summary to your officiating pastor. Therefore, we would ask that you sign the bottom of this form giving permission for the mentoring couple to discuss any concerns or questions that may arise with the officiating Pastor.

We give our permission for Centre Street Church to provide our mentoring couple and the officiating pastor a copy of our Pre-Marriage Couple's Questionnaire and the Prepare Enrich Inventory, and for our mentoring couple to share with the officiating pastor information relating to our Prepare Enrich and subsequent mentoring sessions.

RE: _____ and _____
(Bride's Name) (Groom's Name)

As part of our Centre Street Church Pre-Marriage Program, each couple must complete the guidelines as approved by CSC. Exceptions may be permitted, for example, when a wedding is scheduled to occur between pre-marriage seminars. In these cases, couples are required to take a minimum of three counseling sessions, at their expense, with a counselor recognized and approved by CSC. Such exceptions **much have prior approval by the CSC pastor of Marriage Ministries in consultation with the Wedding Coordinator.** The counselor serves and acts as an extension of the pastor officiating at your wedding. The purpose is to help you establish key foundational principles upon which to grow your marriage.

The counselor may ask you to complete a Prepare Enrich and/or other inventories of his/her choice. Following this, the counselor will spend a minimum of three interactive sessions with you personally discussing the inventory. This provides an opportunity to examine issues and dialogue about several areas that influence the growth and health of a marriage.

Once the designated counselor has completed the pre-marriage process with you, he/she will provide a summary to the CSC officiating pastor. Therefore, we would ask that you sign the bottom of this form.

We give our permission for the counselor recommended to us on behalf of Centre Street Church to share information relating to our pre-marriage counseling with the officiating pastor and the CSC Wedding Coordinator.
